## ***THANK GOD FOR THE BIBLE***

With all the myths and imaginary legends and stories about God, how much of the truth would we really know with certainty without the Bible containing the God-inspired Scriptures? How could we be sure of the creation story? The Lord's handiwork is to be seen all around us, but unbelievers endeavor to persuade men that it wasn't a matter of creation but evolution, and without knowledge of the Scriptures many are deceived.

Without the Scriptures how could we even start to comprehend the depth and the mercy of God's grace and love? Though the writings of history record the crucifixion of Christ, would we without the Scriptures have understood that He was the eternal Son of God, and it was for our sins that He died? Would we have ever believed that He came from heaven, was born of a virgin into the human family? Would we ever have known of His eternal existence just through the observations and writings of men?

We are forever indebted to God for the inspiration, preservation and existence of the Scriptures. Without them, we would be groping for information. What knowledge would we have concerning death and eternity? From antiquity men have believed in life after death. The tombs of Egyptians and graves of Native Americans with tools, weapons, and supplies buried with the dead for their future needs give evidence of the belief of the people then involved. The Holy Scriptures give us information concerning our resurrection and judgment, and the eternal destinies of heaven and hell.

The Bible tells of God's love and His will for our salvation and eternal life, but it also warns us of His wrath for those who do not believe and obey the gospel. With the world in its present state, with multiple religions and conflicting doctrines and theories, thank God that we have access to the one and only accurate document revealing God's will for our lives and salvation.

Regardless of whatever else you hear or read, be like the Bereans of old. Search the Scriptures daily to find out whether these things are so. Study your Bible, rightly dividing the word of truth.
